RE: Environmental Quality Review (SEQR)
Installation of Iron Removal Plant and Building with Filters at the Northeast Wellfield
465 Ocean Avenue, Massapequa Park, NY 11762
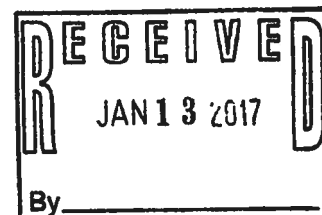

Wells 3 and 8

Gentlemen:

The Massapequa Water District is planning to install an iron removal plant and building with filters at the Northeast Well field. The District has identified this project as an unlisted action.

In compliance with Part 617.6 of the New York Environmental Quality Review Act, a Short Environmental Assessment Form (EAF) with Part I is being mailed to all involved agencies notifying them that lead agency must be agreed upon for this application.

The Massapequa Water District proposes to declare itself lead agency and make a determination of significance of the proposed actions.

Enclosed for your review and comments is a copy of the Short Environmental Assessment Form covering the proposed project.

Your prompt response and cooperation on this matter is appreciated.

Sincerely,

Stan Carey, Superintendent
