Re: Notice of Construction
North East Well Field – Ocean Avenue

Dear Consumer,

The Massapequa Water District has been alerted that concrete will be poured at the North East Well Field tomorrow, May 8, 2018. Several concrete trucks will be staging on Massapequa Water District property, not Ocean Avenue, for this segment of the project. Concrete work is expected to last throughout the next month.

The Massapequa Water District would like to thank you in advance for your cooperation. Please call our office at 798-5266 if you have any questions.

Thank you for your cooperation.
