Re: Notice of Road Construction
Forest Ave and Division Ave, Massapequa

Dear Consumer,

Please be advised that Forest Avenue and Division Avenue at the south ends will have construction activity during the weeks of September 4th and September 10th (excluding Labor Day). The work is related to the replacement of a water main within a district owned easement under the canal and in the roadway. The road will be accessible but parking in the construction areas will be limited.

Access to your driveway will be available, but please use caution.

The Massapequa Water District would like to thank you in advance for your understanding and cooperation. Please call our office at 798-5266 if you have any questions.

Thank you for your cooperation.

Very truly yours,

Stan Carey, Superintendent
Massapequa Water District
