Payment Deferral Request Form Due to COVID-19 Pandemic

Residential consumers who have experienced a financial hardship during the COVID-19 Pandemic are entitled to request a payment deferral of your water bill(s) without incurring any late fees or penalties. Accordingly, the District is offering residential consumers the opportunity to defer payment of their water bill. Payments will be deferred until July 1, 2022.

The District encourages customers to pay a little each month in order to reduce the total amount that will become due **in full** on July 1, 2022.

Note: A confirmation letter will be sent via postal mail /or via email acknowledging your deferment request and notifying you of the revised payment due date.

I, as the owner of the above-mentioned property, am formally requesting a payment deferral due to financial hardship experienced during the COVID-19 pandemic for the following:

Account Number: _____
Property Owner: _____

Billing Address*: _____

* if different than above

If my accumulated water bills from the deferment period remain unpaid once the deferment ends, the outstanding balances will be submitted to the Town Board (per section 215, subdivision 12 of the Town Law of the State of New York) and added to my 2023 scheduled tax bill.
